In addition, please note that you can apply either for compensation or for reimbursement of the ticket(s) from a railway undertaking, but not both for the same journey.

<sup>(3)</sup> Please note that some railway undertakings may grant compensation below the 60 minutes threshold.

<sup>(4)</sup> Please note that the criteria for determining delay and for the calculation of the compensation are stated in the railway undertaking's compensation arrangements in accordance with Article 19(2) of Regulation (EU) 2021/782.

<sup>(5)</sup> Only costs which are appropriate under Article 18(3) and 20(2) of Regulation (EU) 2021/782 are taken into consideration. Please note that meals and refreshments should be offered by railway undertakings in reasonable relation to the waiting time, if they are available on the train or in the station, or can reasonably be supplied, taking into account criteria such as the distance from the supplier, the time required for delivery and the cost. Reimbursement of the costs for using other providers of transport services shall be paid within 30 days after the receipt of the request. The submission of supporting relevant documents is highly recommended.
